The exhibition includes more than 90 works--paintings, prints, sculpture, ornamental carvings, and decorative and useful objects in gold, silver, porcelain, bronze, rock crystal, and glass--drawn from the collections of The Cleveland Museum of Art and several private lenders. Through October 9, 1983. Gallery A (adjacent to the bookstore): CIRCA 1930. Glass, ceramic, and silver objects, some paintings, and an important group of French textiles make up this exhibition of more than 50 art deco works from the 1920s and 1930s. The exhibition emphasizes French pieces of the period and includes Scandinavian, English, and American works as well. Through August 21, 1983.
